

Maden Technologies Participating in State of Florida MatchMaker Conference and Trade Show

ARLINGTON, VA November 13, 2009—Maden Technologies is excited to be participating in the 2009 Florida Department of Management Services (DMS) MatchMaker Conference and Trade Show in Orlando, Florida from November 18–20, 2009.

Recognized as Florida's signature event for service-disabled veteran, minority, and women entrepreneurs, this annual DMS Office of Supplier Diversity event helps these enterprises connect with state government spenders. MatchMaker 2009 links small business owners with state government and corporate sponsors to drive economic development.

As a proud Team Partner for MatchMaker 2009, Maden Technologies is hosting a booth (#606) and presenting a workshop titled "Improving the State Economy—The Role of Small Business Beyond Socio-economic Objectives." The workshop, led by our Chief Technology Officer Tommy Osborne, is scheduled for Friday, November 20 at 9:30 AM in the Exhibit Hall.

We hope you will stop by to see us!

For more information about MatchMaker 2009 and our workshop, please visit the [MatchMaker 2009 website](#).
