

Maden Technologies Exhibiting at Upcoming Conference

ARLINGTON, VA June 5, 2009—Come meet us! Maden Technologies will be in Las Vegas from July 20-23, 2009, to exhibit again at the 5th Annual National Veteran Small Business Conference & Expo. This is always a lively conference that brings together business owners and Federal Government representatives. Maden Technologies will be in **Booth#628** in the Forum Ballroom at Caesars Palace. Last year we raffled off a brand-new Nintendo Wii, and this year we plan to raffle another great prize. Make sure to enter your name in our drawing.

Exhibiting at this conference gives us an opportunity to expand our business network and introduce ourselves to agencies across additional market sectors.

We are excited to be debuting a new tool that will change the way we do business and bring even more innovative solutions to our clients. You will want to learn more about our new solution!
