

# We Are Hiring More Than 50 Professionals!

Celebrating almost 25 years in business, **Maden Technologies** is an award-winning, leading integrator of outsourced IT and security solutions for Government and commercial clients. We are expanding into new markets and offer a competitive benefits package.

We seek experienced IT professionals with **FSP (Full Scope Polygraph)** clearance levels for an opportunity in the Northern Virginia area. We have more than 50 immediate openings available, including:

- **Systems Engineer**
- **Systems Architect**
- **Telecommunications Specialist**
- **Systems Integrator**
- **...and more!**
- **Software Developer**
- **Systems Administrator**
- **Program Manager**
- **Project Integrator**

For more information, please contact **Andre Montgomery** at 703.769.4498 or [amontgomery@madentech.com](mailto:amontgomery@madentech.com). **These openings are available immediately!**
